WORLD ENVIRONMENT DAY
(5th june 2021)

On 5th june our Bharathiyar Arts & Science College for Women, Deviyakurichi, has conducted world environment day among the students and NSS volunteers of our college through online. The world environment day is celebrated every year on 5th June to raise global awareness to take positive environmental action to protect nature and the planet earth. It is a day that reminds everyone on the planet to get involved in environment friendly activities. People come together to pledge towards building a greener planet. Our NSS Students participated and celebrated world environmental day enthusiastically. They were asked to plant a sapling to create a green corner. A lot of enthusiasm was seen in the students. The event was conducted successfully with whole hearted participation and awareness about plants through online.
