BHARATHIYAR ARTS AND SCIENCE COLLEGE FOR WOMEN
ANNUAL REPORT 2024-2025

❖ Sri Sakthi Educational Trust has established Bharathiyar Arts and Science College for Women atDeviyakurichi in the year 1997. The very purpose of establishing this college is to give quality education to the rural girls. The College was at first affiliated to Madras University, and then when a new university named after E.V.Ramasamy, affectionately called as Periyar, the great social reformer, came into existence, we came under the banner of Periyar University. At the inception there were four courses and the college has grown into a full-fledged institution with 19 Under Graduate Coursesand 11 Post Graduate Courses, and 7 M.Phil Research Departments and 3 Ph.D.Programme.

About 2663students are studying here with Staff strength of 137. We have good infrastructure. The Trust believes in the efficacy of women for the development of our nation, hence we focus on education to women, with commitment and dedication.

By the grace of God and the perennial support of our management we are growing from strength to strength. As an acknowledgement of academic excellence, our college is recognized by **UGC under section 2(f) and 12 (B) and also we got NAAC accreditation with A+ Grade**.

We motivate our students to make themselves to be employable. Our College is the centre for the Periyar University Recruitment Drive for the Attur Region. The **Placement Cell** of our college remains a boon to the Final Year Students who go out with a job in their hands after graduation.

We believe that service to humanity is service to God. So we have **NSS, RRC, YRC, Citizen Consumer Club, Donors Club, EDC, Bharath Scout and NCC** to make our students involve in social service. At the juncture of values, we instruct moral values to students through value education.
